### **The Los Angeles Kinijit Support Organization Elects Its Leaders**

Members of Kinijit's Los Angeles Support and Development Association for Democracy elected a 9-member Executive Committee, and 3-member Audit Commission. The election was handled by a Nomination and Election Committee that was composed of five of the support group's members, elected two weeks earlier. In accordance with the bylaws, a democratic election was exercised. At least two nominees were presented for each position and the voting was made by a secret ballot. It must be remembered that this is the first time members participated in electing their own Executive Committee in Los Angeles, and the first time to establish and elect an Audit Commission. The newly elected committee has made a commitment to be action-oriented and apply Kinijit's organizational policies of becoming transparent, accountable, and responsible.
