A few words from the acting Chairman of KinijitLA

Dear Supporters of Kinijit,

Kinijit's Los Angeles Support Organization would like to thank you for visiting our website. We would like to extend our invitation to join the support group and contribute your share in advancing the Ethiopian peoples' peaceful struggle for justice and democracy.

The May 2005 Election and what aspired in the aftermath have made Kinijit a movement that delivered on its promise, the dedication to stand by its commitment. The spirit of Kinijit has touched everyone. Hundreds gave their lives while tens of thousands were sent to jails. The persecution of Kinijit members continues unabated; however, the peoples' determination for the rule of law is augmented by each day. While this fate awaits our people in Ethiopia, the Diaspora has at least a moral responsibility to advance their cause. It is in this spirit that we in Kinijit's Los Angeles Support Group are organizing Ethiopians in the LA Metro Area to cooperate in this endeavor. Our priority at this moment, is to get all political prisoners released.

As we celebrate the anniversary of Little Ethiopia, let us remember the driving force behind its creation, the need to engage as a cohesive Ethiopian community. Please join our support group by filling the membership card and becoming a part of the spirit.

Kinijit's Los Angeles Support and Development Organization for Democracy (KINIJT) would like to express its sincere appreciation to the organizers of the Little Ethiopia Celebration.
